ICETHICS ICOM international committee on ethical dilemmas

Stand for election to the IC Ethics Board (2023–25)

International Committee on Ethical Dilemmas

The ICOM International Committee on Ethical Dilemmas (IC Ethics) is an open forum on practical challenges regarding ethical dilemmas in the museum profession. IC Ethics is a space where museum professionals can reflect, share and discuss ethical dilemmas, helping them to make more informed choices. It is one of ICOM's 32 International Committees. IC Ethics

- offers a channel of communication between ICOM members facing similiar ethical dilemmas in their every day practice;
- shares professional approaches to ethical dilemmas;
- gathers, in cooperation with all other committees in ICOM, experiences on museum ethics to foster the dissemination of good practices;
- provides input to ethical debates through different forms of knowledge dissemination; and
- does not pass formal judgements about right or wrong.

IC Ethics Rules, including those for elections, can be found here: https://www.ic-ethics.museum/wp-content/uploads/2020/11/Rules-for-the-ICOM-International-Committee-on-Ethical-Dilemmas.pdf
